

Nano Cash

bigger
is not always
better

With its small size, the Tranax Nano Cash offers both **versatility and convenience**, without sacrificing Tranax's renowned quality and affordability. The Nano Cash is unrivaled as an economical **TDES compliant, through-the-wall** solution, ideal for space constrained retail environments and banking locations. Requiring only **1.5 square feet**, the Nano Cash is so versatile it can also be installed in kiosk and countertop applications.

The Nano Cash is solid, weighing 130 lbs and providing proven Tranax reliability and security. The best small footprint ATM solution available at any price.

OPERATIONAL SERVICES

WebRMS is the most comprehensive ATM management tool available. You can receive instant error messages on your cell phone or via email and access transaction history and cash management reports from any web browser.

Tranax Extend offers ATM owners a worry-free investment in a Tranax ATM beyond the standard manufacturer's warranty. If a component of an ATM covered under Extend is in need of repair, Tranax will promptly ship a working replacement part at no charge.
